

February 1, 2010

We have a couple more months to go but I am looking forward to Spring. It is cold in Manistee right now and I am pretty much limited to ice fishing. Our weekend dates for Lake Michigan are starting to fill for the 2010 season. It is not too early to reserve yours today. Hopefully the fishing will remain as good as it has been the past several seasons. We are finalizing plans for our annual walleye trip to Canada. If you have ever dreamed about a fly in trip to Canada please give me a call and I can get you pointed in the right direction.
