We made it out on the lake today for the annual DumboGotti fishing trip with a great group of anglers from Illinois. Yesterday's blow cancelled a lot of trips and stirred up the lake pretty good. It was a tough day of fishing for most so we were happy with our catch of 5 nice fish and a few misses. Congratulations to Jay who took big fish and walked away with the highly coveted DumboGotti Trophy! We are already looking forward to next year's trip.
