Happy Birthday Mitch! We fished with long time customer Bob F on Saturday night. Bob brought along Mitch who was celebrating his 13th birthday. Fishing was slow at first but the action picked up as the evening went on. The guys ended up with a nice box of fish and rumor has it that Mitch is still walking around with a big smile on his teenage mug. His football conditioning paid off as he battled several big Kings without a single complaint. We look forward to fishing with you guys again next summer!
