

Full Day Charters

Our rate for a full day charter is \$700 for 1 to 4 guests. We charge an additional \$50 each for a 5th or 6th person. A full day charter is 9 hours from dock to dock or limit catch. A deposit of \$100 is required at the time of booking. This deposit is fully refundable if the Captain determines the weather is not safe for fishing or if the trip is cancelled 14 days in advance of its departure.
