

How Do I Find Your Boat?

We are docked at Fisherman's Center which is across the street from Burger King on US 31 (Arthur Street). Park at the bait shop and then follow the sidewalk around the right side of the building and out onto the dock. We are the first charter boat on the dock. Use our "Directions" link on the left for a map and driving directions. If you get lost or are running late call me on my cell phone 231-510-3250.
