

June 1, 2007 Report

Fishing is starting to pickup. We are getting good numbers of smaller fish with a few bigger fish mixed in. The fish are scattered and being taken throughout the water column. Leadcore has been working well. We will be fishing this weekend and then heading to Canada for our annual fly-in trip for walleye. It has been busy here and I am really looking forward to getting away for a while. We will be back in time for Fathers Day weekend and "ErI's Cingular shootout."

If you are planning to fish with us this year, please call soon to reserve your dates. Two prime dates that just opened are August 10 and 11th. Our customers from Ohio who usually fish that weekend have decided to come up early and will be fishing the Bud Tournament with us in June.

Book your own fly-in or train-in trip to Ontario's wilderness. Don't waste your time and money finding an outfitter through trial and error. Give us a call (231-723-5965) and we'll hook you up with the best.
