

June 12th, 2007 Report

Well we made it back from Canada. This was by far our best trip ever. We stayed at a new lodge and could not believe how much nicer it was than the other places we have stayed. If you are ever interested in going up to Ontario fishing or hunting please contact us. We would be happy to talk about our experiences and help you book your Canadian adventure. I will post some pictures from our trip in the next few days.

The fishing reports back home sound good and I am looking forward to getting out on the lake this weekend. We still have a few weekend dates available but they beginning to fill. Please give us a call to check on availability.
